Sir, Subject: INDIAN NATIONALS WITH JAPANESE CONNECTIONS.

Sir,

With reference to Secret D.O. letter No. F. 237/1940 dated 8-12-41 from the Secretary to the Resident, received with your letter No. 1076/W dated the 8th December, 1941, I have the honour to state that the house and shop of Mr. V.S. Begur were searched in his presence yesterday morning.

Two copies each of the report of the District Superintendent of Police, Special Branch, and of the statement made by Mr. Begur are enclosed.

Since Mr. Begur's Japanese contacts appear to have been purely in the way of business, it is not proposed to place him under any restrictions at present.

I have the honor to be,
Sir,
Your most obedient servant,

INSPECTOR-GENERAL OF POLICE.

Report dated 8-12-1941 submitted by the Superintendent of Police, Special Branch in Mysore, to the Inspector-General of Police in Mysore.

As per instructions, the shop of Mr. V.S. BEGUR and his residence were searched by me this day. No articles indicating Japanese sympathies or contacts were found.

An examination of the files maintained in his shop showed that he had dealings with (1) Furukawa, Electric Company, Bombay Branch, Head Office - Tokyo; (2) Eastern Electric Light and Power Company, Bombay; (3) Hitachi, Ltd., Bombay; (4) Mitsubishi Shoji Kaisha Ltd., Madras Branch, and (5) The Japanese Cotton Trading Company, Bombay.

He states that he was only a Canvassing Agent for the above companies and was working on commission basis. The last correspondence with them was in August 1941 when they wound up their business in India. He also states that he was not having any direct correspondence with any of the firms in Japan except through their agents in India. His close contact is said to have been with Mr. WATANABE of the Furukawa Electric Company with which he had the largest dealings (between 30 to 40 thousand rupees).

He denies having had any undesirable contact either with any firm or individual in Japan or their representatives in India; but was carrying on correspondence with Japanese representatives in India for his business only.

His statement is enclosed for kind perusal.

STATEMENT of Mr. V.S. BEGUR, Electrical Engineer and Contractor, Lamp House, No.48, Sree Narasimharaja Park Road, Bangalore City.

Dated 8-12-1941.

I was working as an electric operator in the Mysore Government Electric Department. I joined the said department in 1918 and served the same till 1923 when I resigned the job. I started business as an electrical engineer and contractor and am still continuing. My head-quarters has always been in Bangalore. For the last 2½ years my office is in 48, Sree Narasimharaja Road. I am the sole proprietor of V.S. Begur & Co. I was formerly dealing with the following foreign JAPAN Companies namely :-

Messrs:

1. Furukawa Electric Co.
2. Mitsu bashi Shoji Kaisha Ltd.
3. Japan Cotton Trading Co.
4. Hitachi Ltd., and
5. The Eastern Electric Light and Power Co., Bombay.

Since about three years, I am having connection with Messrs: Furukawa. I was only a canvassing agent for them and was working on commission basis. I was also getting materials from them for my business. The last correspondenee with them was in August 1941, when they wound up their business in India. Their representative in India was Mr. Watanabe and their India Office was at Bombay with branches in other places. The Eastern Electric Co., Bombay, was carrying business for them

since

since several years and it is only four years back they sent their own representative. File No. 2 contains all the correspondence between me and company at Bombay since the commencement of my contact with them. I do not carry on any direct correspondence with any firm or private individuals in Japan. The Eastern Electric Light and Power Co., Bombay, is an Indian concern belonging to Tatas. The said Company was dealing with Messrs: Furukawa and continued their dealings even after Mr. Walanabe's arrival to Bombay. I am continuing my dealings with the Eastern Electric Co. even now. File No.1 contains all my correspondence with the Eastern Electric Co. since July 1939 when I started transactions with them. Since a year I have had no correspondence with them.

Messrs: Mitsubishi Shoji Kaisha Ltd., have their head-office at Tokyo and have branches at Bombay, Madras, Calcutta etc. I came in contact with them in August 1939 for the first time and till about August 1941 I was having dealings with them. File No.4 contains all correspondence etc, I made with them relating to electric and other goods. I made only Rs.135/- business with them. My correspondence was only with the Madras Branch of the firm.

The Japan Cotton Trading Co. has a branch at Bombay and my first contact with the firm was in March 1941. The only order I placed with the Co. was for an electric fan and it was in May 1941. I received the fan in June 1941 and sold it away. Since June 1941 I have not had any correspondence with them. File No.5 contains all the correspondence I had with the said company.

Messrs: Hitachi Ltd. have their Head Office at Tokyp having an office at Bombay. My correspondence with the company started in February 1941 and closed in June 1941. I only called for certain quotations from them and did not do any business.

The advertisement priving block was sent to me for advertisement purposes by Messrs: Farukawa Electric Co., Bombay, about 3 years back. I remember to have made use of it only once in 1940-41. I have it for advertisement in the "book Travel in South India. "

Since August 1941, I have not received any correspondence from any of the above Japanese firms' representatives in India.

Read over and admitted correct.

Statement of Mr. P. Hariharan s/o Dr. P. Parpu, aged about 36 years, Pottery Expert to the Government of Mysore, residing at 18th Cross Road, Malleswaram, Bangalore City, on 8-12-41.

****

I am a native of (Travancore) Travandrum. Our family has got undivided property at Travancore. I am the 3rd son to my parents and I have two elder sisters and two brothers. Mr. P. Gangadharan my eldest brother, is doing nothing and living with my father who is living separately in the same Road. Mr. P. Natarajan, my next brother, is a Headmaster at Varkale, Travancore. I finished my School final ∉ about 15 years back and went to "Viswa Bharathi" Santhinikethan undergoing training in Fine Arts. After finishing the course, I was in charge of the Crafts Department at Shanthinekethan. Late Dr. Tagore after his return from Japan suggested that I should go to Japan for advanced studies in cottage industries in the year 1930. I was in Tokyo for two years where I underwent training under a private Ceramic Expert. Then I was in Nagoya, Japan, for about 3 years studying in various factories. I know Mr. Bose as the President of India Association, Japan, whom I have met a couple of times. For another two years I was going between Nagoya and Tokyo and its suburbs. I came in contact with the family of Mr. Shibata Suketaro, a Ceramist, No.2625 Kaisencho, Seto Aichiken, Japan, with whom I had stayed for the purpose of my studies. I married Mrs. Shibata Sato, the 3rd daughter, in the year 1936 as per Japanese customs. We came to India in the year 1938 with my brother-in-law Mr. Shegero and my wife. About November 1938 I got an appointment in the Industries Department, Mysore Govt. which I am still holding. We had our marriage gone through as per Hindu customs once again at Travancore. My brother-in-law is also staying with me since he arrived in India with us and is helping me in the manufacture of porcelain goods.

1) I see the letter written by Mrs. Meta Doring of German nationality from Mysore. I know that Mr. Doring is in enemy interrment camp. We came into contact with Mr. and Mrs. Doring while they were in Bangalore, residing at Malleswaram. I know Mr. Koenigsberger, Consulting Architect to the Government of Mysore whose name has been mentioned in one of the letters from Mrs. Doring, in my official capacity.

2) I know Mr. G. Venkatachalam, Art critic, Theosophical Lodge, C & M Station, Bangalore, since I had come in contact with him both in Japan and at Shanthinikethan. He is one of my personal friends.

3) I see the letter from one Tore Haokansson c/o Royal Swedish Consulate General, 19, Balygunge Park, Calcutta, dated 12-2-41. I came to know him during the Dasara in the year 1939. I am not in any intimate correspondence with him.

4) The two unposted covers (i) & addressed to Mrs. Seki Sadako, residing at China, (ii) to Miss. K. Nomurra, residing at Japan are written by my wife to her friends long back and the same were not posted due to my wife's oversight.

5) I know Mrs. Manorama Sarabhai and their family as I came to know of them while I was at Shanthinekethan. I know Mrs. Anamya Sarabhai also who is now with Shankarlal Banker. My acquaintance with them is only casual.

Statement of Mr. P. Hariharan s/o Dr.P. Parpu, aged about 36 years, Pottery Expert to the Government of Mysore, residing at 18th Cross Road, Malleswaram, Bangalore city, on 8-12-41.

I am a native of (Travancore) Trivandrum. Our family has got undivided property at Travancore. I am the 3rd son to my parents and I have two elder sisters and two brothers. Mr.P. Gangadharan is my eldest brother, is doing nothing and living with my father who is living separately in the same Road. Mr. P. Natarajan, my next brother, is a Headmaster at Varkale, Travancore. I finished my School final about 15 years back and went to "Viswa Bharathi" Santhinikethan undergoing training in Fine Arts. After finishing the course, I was incharge of the Crafts Department at Shanthinikethan. Late Dr. Tagore after his return from Japan suggested that I should go to Japan for advanced studies in cottage industries in the year 1930. I was in Tokyo for two years where I underwent training under a private ceramic Expert. Then I was in Nagoya, Japan, for about 3 years studying in various factories. I know Mr. Bose as the President of India Association, Japan, whom I have met a couple of times. For another two years I was going between Nagoya and Tokyo and its suburbs. I came in contact with the family of Mr. Shibata Suketaro, a Ceramist, No.2625 Kaisencho, Seto Aichiken, Japan, with whom I had stayed for the purpose of my studies. I married Mrs. Shibata Sato the 3rd daughter in the year 1936 as per Japanese customs. We came to India in the year 1938 with my brother-in-law Mr. Shegero and my wife. About November 1938 I got an appoint-

ment

appointment in the Industries Department, Mysore Govt. which I am still holding. We had our marriage gone through as per Hindu customs once again at Travancore. My brother-in-law is also staying with me since he arrived in India with us and is helping me in the manufacture of porcelain goods.

1) I see the letters written by Mrs. Meta, Doring of German Nationality from Mysore. I know that Mr. Doring is in enemy internment camp. We came into contact with Mr. and Mrs. Doring while they were in Bangalore, residing at Malleswaram. I know Mr. Koenigsberger, Consulting Architect to the Government of Mysore whose name has been mentioned in one of the letters from Mrs. Doring in my official capacity.

2) I know Mr. G. Venkatachalam, Art critic, Theosophical Lodge, C & M Station, Bangalore, since I had come in contact with him both in Japan and at Shanthiniketan. He is one of my personal friends.

3) I see the letter from one Tore Haokansson c/o Royal Swedish Consulate General, 19, Balygunge Park, Calcutta, dated 12-2-41. I came to know him during the Dasara in the year 1939. I am not in any intimate correspondence with him.

4) The two unposted covers (i) addressed to Mrs. Seki Sadako, residing at China (ii) to Miss.K. Nomurra, residing at Japan are written by my wife to her friends long back and the same were not posted due to my wife's oversight.

INSPECTOR-GENERAL OF POLICE.

Search and interrogation - P. HARIHARAN.

The house of Mr. P. Hariharan was searched on 8-12-41 by the District Superintendent of Police, Bangalore City, and he was also interrogated. Scrutiny of the documents indicates Mr. Hariharan's contact with the following Japanese:

1) TORE HAOKANSSON - c/o Royal Swedish Consulate-General, Calcutta, whom Hariharan met at Mysore during Dasara 1939. A letter written by Tore HaoKansson indicates that he (T.Haokansson) visited Ramghar Congress, Shantinikethan and is interested in Indian Politics.

2) TANAKA HIROKA MANJUDO, Kyoti, Japan, who visited Bangalore in July 1940. Nothing objectionable in the letter written by Tanaka to Hariharan.

3) J.R. MARYA, Osaka, Japan, who is said to be somewhere in Punjab. Nothing objectionable in the letter.

4) F. ONO of MITSUI BUSSAN KAISHU. Ltd.,Madras, whose contact is indicated by a card.

A number of letters written by Mrs. META DOERING, Mysore, indicate their close intimacy. In one of the letters written by Mrs. Doering, a reference is made to the Jews who are said to be deported to East Poland and subjected to bombing by the Nazis.

A note-book containing addresses shows that Mr. Hariharan knows RAMAMURTHY, c/o IOHI MARU, 44, Matsu Moto Cho Shibaku, Tokyo, who is said to be broadcasting in Hindi from Tokyo.

There are 33 letters in Japanese language which will be sent to the Commissioner of Police for transmission to

Sir,

In continuation of this office Secret letter No.F.C.272/40-41 dated 9-12-1941, I have the honour to enclose for the information of Government a copy of a note regarding Mr. K.L. NANJAPPA.

I have the honor to be,

S i r,

Your most obedient servant,

INSPECTOR-GENERAL OF POLICE.

MRK.

Mr. K.L. Nanjappa, Sales Probationer,
The Mysore Iron and Steel Works, Bhadravathi.

It was ascertained from Mr. K.L. Nanjappa that he is a native of Bangalore City owning a house in Gejje Basetti Lane, Cottonpet, Bangalore. The house is worth about Rs.3,500/- and there is an encumbrance of about Rs.1,200/- debt also. Mr. Nanjappa has no father and he is the eldest male member of the family on whom his mother, two younger brothers and one sister are depending. He had his middle school education in the Sultanpet Government Middle School, Bangalore City. He studied for S.S.L.C. in the Wesleyan Mission High School, Bangalore. He failed in the S.S.L.C. Examination held in 1932. He joined the S.L.N. High School in 1932 and passed the S.S.L.C. examination held in 1938. He then joined the Government Institute of Commerce and Accountancy and studied there for two years. In December 1935 he left for Japan for higher studies and reached Tokyo in January 1936. He joined the Tokyo University of Commerce in April 1936 and studied there for 3 years. In 1939 he took M.Com(Tokyo) Degree and underwent practical training in Messrs: Mitsubishi Economic Intelligence Bureau, Tokyo, for a period of one year, till April 1940. He left for India in April 1940 and reached Bangalore on 23-5-1940. He joined the Mysore Iron and Steel Works, Bhadravathi on 2-9-40 as a Sales Probationer on a stipend of Rs.75/- per month and since then he is working there.

While at Bangalore he was a member of the "Sree Vidya Ganapathi Students' Association" which was started in 1928 by the students of the Sultanpet Government Middle School, Bangalore, in 1928 after the restoration of the Sree Ganapathi idol to its original place in the compound of the school. The Association was formed for carrying on pooja etc. regularly to the -

Sree Ganapathi idol there. He was not a member of any other organisation or association. In Japan, he was a member of the Indian Students' Association, Tokyo, and of the Young Men's Christian Association, Tokyo. His conduct there was with students, educationists and the commercial class. He came in contact with some of the Indian tourists also. He neither joined any political organisation there nor interested himself in any political activities. He met Rash Bihari Bose twice or thrice in some social gatherings arranged by the Indian Students' Association in the " Naka Muraya ", an Indian style restaurant at Tokyo run by Rash Bihari Bose. The invitations to Bose were casual as the gatherings were in his own restaurant. Likewise Raja Mahendra Pratap, an Indian Politician who is said to be a runaway from India was present in a party arranged by the Indian Students' Association in honour of Dr. Kunzru, President of the Servants of India Society, who had been to Tokyo on his way from Australia. Pratap had been to the party to meet Dr. Kunzru to request him to represent his case to the Government of India for getting him permission to get back to India. Mr. Nanjappa again met him (Mr. Pratap) in a party arranged by one Mr. Sahey, an Indian businessman at Kobe, in honour of Mr. Pratap on his announcing the change of his political creed to Gandhism with a view to get permission to get back to India. He attended the party in response to the invitation received. His meetings with Rash Bihari Bose and Raja Mahendra Pratap were casual and were not of any political significance.

After his return to India, Mr. Nanjappa wrote only one letter in August 1941 to Mr. M. Ramamurthy, a Mysorean, and still a student of Economics in the Imperial University, Tokyo, announcing his safe arrival in India and the death of H.H. Sree Krishnarajendra Wodeyar. In October 1940 reply was received from Mr. Ramamurthy. In December 1940 he sent Christmas Cards to some of his professors and friends

~~in Japan~~ there and also received Christmas cards from his friends in Japan. In 1941 he received two letters from Mr. T. Komaki, Yokohama, requesting him to introduce him to some businessmen in India. Mr. T. Komaki was Mr. Nanjappa's class-mate and was dealing in porcelain wares at Yokohama. Mr. Nanjappa did not however, reply. In July 1940 Messrs: Tanaka and Suzuki of Messrs: Mitsubishi concerns had been to Bangalore. Out of sheer courtesy Mr. Nanjappa took them round to some places in Bangalore City and Mysore City. They had been to Bhadravathi also but Mr. Nanjappa did not accompany them. As he received practical training in Messrs: Mitsubishi concerns, courtesy demanded that he should call on Messrs: Tanaka and Suzuki and so he did. Of the Indian Students who are still in Japan - Messrs: M. Ramamurthy, his brother - Jayasen and K.V. Narayan, are Mysoreans.

The statement given by Mr. Nanjappa appears to be straight-forward. He appears to be very anxious to get on in service and does not appear to be interested in political activities.

I am directed to refer to the correspondence ending with your secret letter No.Pol.1245 dated the 8th January 1942, and to say that the Government of India consider that Begur, Nanjappa and the Hariharans should be strictly watched. If it is desired not to take open action against Begur, the watch on him might be a secret one, but it is felt that surveillance is necessary, in view of the suspicion against him, which has never been satisfactorily resolved, and the opinion of him held by the Madras Special Branch, who have also been making enquiries about him.

2. In regard to Nanjappa, the officer who examined his private papers after the search of his house formed the opinion that his anti-British and pro-Japanese attitude was confirmed; added suspicion is aroused, though admittedly on general grounds of a vague nature, by his contact while in Japan with a firm notorious for its espionage connections. The Government of India therefore consider that his movements should be suitably restricted, in addition to the action suggested above.

3. As Mrs. Hariharan is not an enemy foreigner, whatever restrictions are considered necessary in her case should be

imposed under the State counterpart of the Defence of India Rules.
